Re: Course Identification Number: 11310

Expiration Date: 1/12/2015

Course Name/Title: Internet Comm 21 62q

Table with 2 columns: HOURS OF CREDIT and CREDENTIAL TYPE. Rows include Dwelling Contractor Qualifier Certification (2.0), Manufactured Home Installer License (2.0), and UDC-Construction Inspector Certification (2.0).

The division has reviewed the application for the educational course listed in the regarding line above and has approved the course for the hours and credentials specified in the regarding line. The approval is based upon the information provided with the Educational Course Application.

Special Examination Requirements: For certain types of education approvals, we require that you administer an examination to attendees as follows:

- Face-to-face Dwelling Contractor Qualifier and Manufactured Home Installer initial training – Course provider to test attendees on mastery of course content.
• All non-face-to-face training – Minimum 10 review questions per hour with a passing score of 70%
• Question-and-answer training on the code without significant additional training materials provided – Minimum 30 questions per hour with a passing score of 70%.

We may require that you provide us with a copy of the questions and answers that you are using to satisfy the above conditions.
